

OCEAN STATE EMPLOYMENT SERVICE NETWORK

Welcomes New Members!

OSESN is a member-driven network for job developers and other workforce professionals.

Our Mission: Increase employment of our job seekers and provide quality recruitment and services to employers.

Our diverse group includes over **160 members** from state agencies, community partners, and program providers representing **ALL** demographics.

Members are committed to

- sharing information, resources, and opportunities
- learning about employer needs, occupations, and industries
- problem-solving member challenges
- fostering member collaboration
- working together to "Let no job lead go unfilled!"

Membership is FREE and includes

- participation in the OSESN Google Group
- access to OSESN web resources

**Come share information about
career and training opportunities!**
