

I really ABSOLUTELY
must have **glasses**

Based on the original **Charlie and Lola** stories

 Charlie has a small sister named Lola.

 Lola is small and funny.

 Lola is going to the eye doctor tomorrow with her

 mom.

 Lola says to Charlie her eyes do not need

 to be tested.

 Charlie says to Lola going to the eye doctor is

 fun.

 Charlie says Lola will find hidden pictures and

 colored dots.

 Lola loves dots.

Lola

can

see

the spaghetti

in

her

bowl, the

spoon,

and

her

pink

milk.

Lola

can

also

see

Charlie.

Lola

says

she

does not

need

to

go

to

the

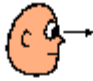

eye

doctor.

 Lola sees her friend Mini at school.

 Lola asks Mini where Mini got her glasses.

 Lola says Mini's glasses are nice and flowery.

 Mini says to Lola she got her glasses

 from the eye doctor.

 Everything Mini sees is fuzzy.

 Lola says, "Charlie, I am excited to get

 flowery glasses."

 I say, "You only get glasses if you need

 glasses."

 Lola  says,  "I  need  them.  I  cannot  see  that

 pink  cookie.  I  cannot  see  my  yellow  toothbrush.

 The next day, Lola asks Mini to try on

 her glasses.

 Mini says, "That is not a good idea. They

 can make your eyes hurt."

								
Lola	asks,	"how	will	I	know	which	glasses	
								
look	nice	on	me	?"				
								
Mini	says,	"At the	eye	doctor	you	try	on	lots
								
to	see	what	you	like	best!"			

				
Lola	shouts,	"I	can't	wait!"
				
Lola	goes	to	eye	doctor.
				
Lola	looks at	different	glasses.	

The eye test lady told Lola she did not need

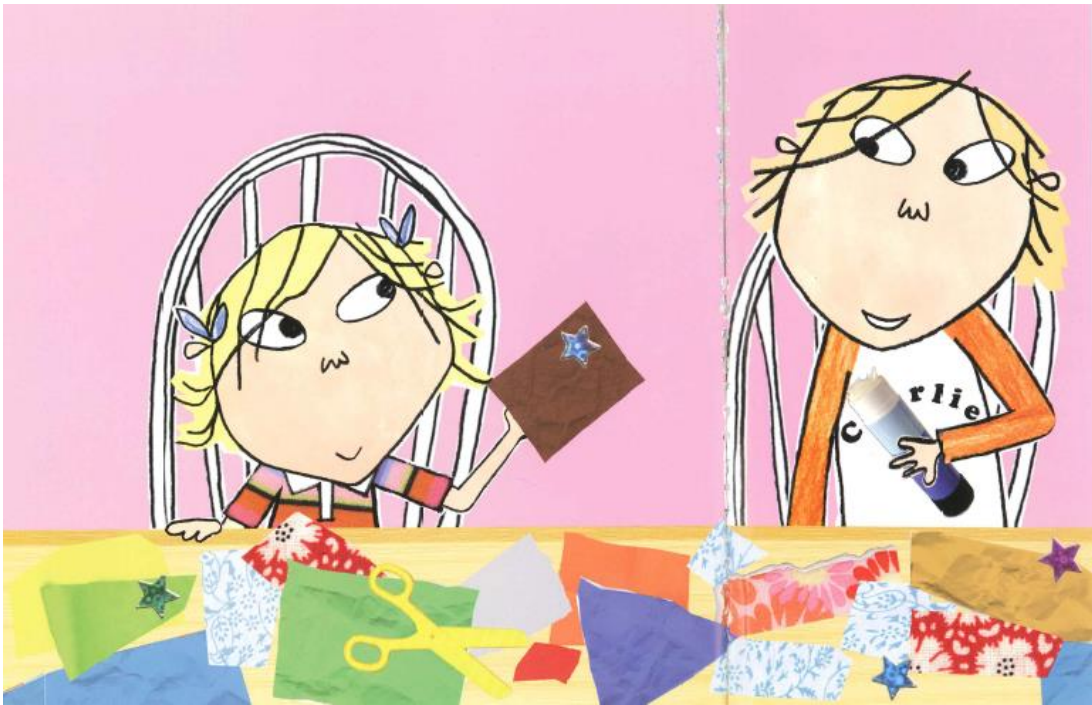

glasses.

 says, "That's good! It means your eyes are

strong."

 says, "I really wanted glasses."

Then  says, "I have an idea!"

Lola

and

Charlie

cut,

paste,

and

color

pieces of

paper.

They

use

glitter,

stars

and

lines

to

make the

glasses.

 At school, Lola wears the glasses.

 Mini says, "I like your glasses, Lola."

 And Lola says, "Yes glasses are fun even if

 you don't need them!"

The End
