AAGSE: PS1.1c Identify Heat Energy

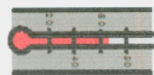

Heat Energy

Some things are Hot.

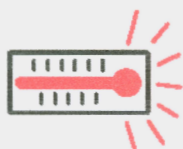

temperature

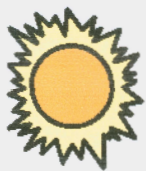

equal

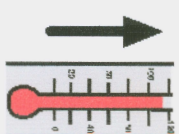

hot

1. The sun is hot.

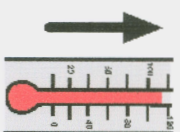

hot

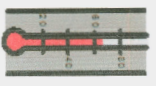

2. Fire is hot.

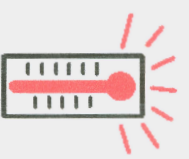

hot

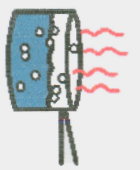

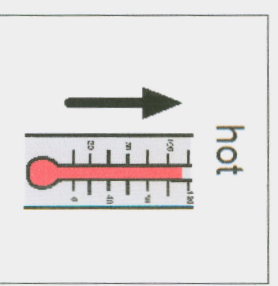

temperature

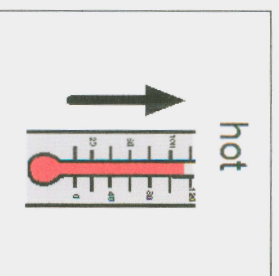

hot

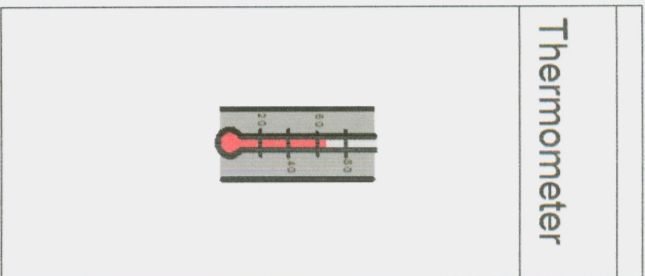

3. Stoves are hot.

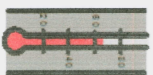

4. Boiling water is hot.

Some things are cold.

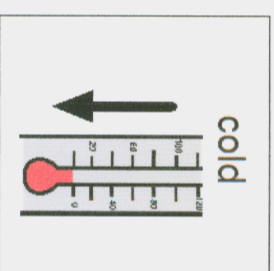

temperature

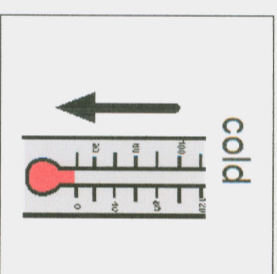

cold

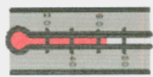

1. Ice are cold.

2. Snow is cold.

temperature

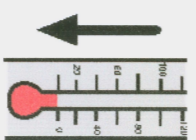

cold

3. Ice cream is cold.

cold

4. Popsicle is cold.

cold
